About Miller

Since Miller was founded in 1902, we have gone from strength to strength because of our unwavering focus on delivering an exceptional standard of service to our clients.

We are known for doing the right thing, delivering on our promises and working as one team.

Today, we are a leading specialist (re)insurance broking partnership, headquartered in London with more than 650 people across our UK and international operations.

Chartered Insurance Brokers

We are Chartered Insurance Brokers, publicly committed to a customer-first approach and values that align with a professional Code of Ethics. We'll provide solutions relevant to your needs, maintaining our knowledge through qualifications and ongoing professional development.
