About Miller

Since Miller was founded in 1902, we have gone from strength to strength because of our unwavering focus on delivering an exceptional standard of service to our clients.

We are known for doing the right thing, delivering on our promises and working as one team.

Today, we are a leading specialist (re)insurance broking partnership, headquartered in London with more than 650 people across our UK and international operations.

We are Chartered Insurance Brokers, publicly committed to a customer-first approach and values that align with a professional Code of Ethics. We'll provide solutions relevant to your needs, maintaining our knowledge through qualifications and ongoing professional development.

Given the current pandemic, there is a huge increase in demand and supply for Personal Protective Equipment (PPE). Largely comprised of smaller value short-term contracts, a quick responding cargo and stock throughput insurance solution is needed.

Miller has exclusive access to a Lloyd's backed facility specifically designed for this type of business, providing competitive pricing, flexible coverage options and fast turnarounds.

Who is the facility designed for?

- US domiciled companies involved in the shipment of PPE, both nationally and globally
- Can cater for shipments of other interests as well

Facility highlights

- 100% Lloyd's A+ (S&P) security rated capacity
- Loss limit of up to USD10m
- Choice of cargo, standalone stock or stock throughput all risks cover
- Applicable for short term and annual policies
- Requires multiple transits (i.e. more than one) per policy
- Include all modes of transport (i.e. land, air or sea)
- Minimum premium USD15,000
