

# Professional Liability solutions for the US design and construction sector

The US design and construction landscape is evolving rapidly, bringing new complexities and greater risk to every project.

Miller delivers specialised insurance solutions that help firms manage professional, environmental, and technology-driven exposures with confidence. With deep industry expertise and market-leading capacity, we provide clear, dependable protection you can trust.

## Coverage highlights

### PROFESSIONAL LIABILITY

Design build and contractors', contractors' protective and rectification costs.

### POLLUTION LIABILITY

Contractors' pollution, microbial condition, transportation pollution, non-owned disposal site pollution, emergency pollution remediation expenses.

### TECHNOLOGY

Drone liability, technology-based services and products coverage, computer network security and privacy liability, multimedia and advertising liability.

Additional features include blanket waiver of subrogation, worldwide territorial coverage, and optional coverage enhancements (e.g. manufacturers E&O endorsement, faulty workmanship sublimit and privacy breach response services).
